

Table 1

Product System	Primary Application	Standout Advantage
GacoFlex S20 Series	100% Solvent-Free Silicone Coating	Unmatched resistance to standing water and extreme weather without degrading.
GacoFlex S42 Series	High-Solids Silicone Roof Coating	Faster cure times and high tensile strength for heavy-foot-traffic areas.
GacoFlex A42 Series	Elastomeric Acrylic Coating	Cost-effective slope and vertical surface protection with high reflectivity.
GacoPrime / GacoWash	Surface Prep & Substrate Primers	Seals bleed-through oils on asphalt and locks onto slick single-ply membranes.
